REPORTS -

- A spring drive took place 26 April. The start point was posted to Z Driver. Participants included Kyle, Keith, Kevin, Bryan Cook, Robert T. and Randy. It is to

be noted that Randy was lost on the some curve. There were four curves involved and our good members drove the route where Randy went missing several times. The members did not see any skid marks. Later, Randy was safely and telephonically found at the Chick Filet on Wade Hampton where cell phones could be used again. Robert got lost in the rain! (how you can get lost in the rain on asphalt is beyond me!)

- The “Z Attack” was in Nashville and Robert Tolar attended the 12 April event. Robert said it was “better than ZDayz”. There were about 100 cars at the Lane Motor Museum. There was a complete Nissan collection – every generation on their floor. The collection is on rotation until the end of June 2008. Robert only visited one floor. There was a Ladies’ Class for cars and trophies.

Robert strongly suggests that we plan on making this event next year. He had a wonderful time. Robert won/bought/received/stole a number of t-shirts, including a Z heritage camp shirt. He also won a bucket with McGuire Cleaning Supplies. His over all comments were very positive.

Nissan is the major sponsor. Nissan moved from Southern California to Nashville and this was a “welcome to Nashville” for Nissan and the historical car. There was a good, formidable collection of cars from all over the Southeast.

Robert also commented that this Nashville event was the right group of people and the right number of people. This event was balanced.

The opportunity for a drive to the Jack Daniels Distillery was ruined by a major rain and hail storm. The car Robert was riding in was a 260Z. Hail damaged the car and rain flooded it! So, Robert got the t-shirt but not the tour.

This is a “must do” for the second weekend of April 2009!

ZDriver.com posted a Thank You for “Z Attack”.

- Josh commented that we will see a shift in ZDayz being a driving event and Z Attack emphasizing Car Shows and classes.
- Discussion of HiDef Radio: this is compatible to the new TV standards. Radios are available for about \$100.
- Josh us setting a date for the Helen, GA overnight Octoberfest tour. The date will be announced at the June meeting. It was suggested that Josh reserve a “rack of rooms” and that the club could cover the deposit for the members. (This is a suggestion and not a motion.) A nice day drive is Hiawasee, which is over the mountains.

- Denny's Cruise In at the Commerace, GA store. *I will put the dates in when I get feed back from officers.*
